

## TARO PAC

The Texas Alliance of Recreational Organizations (TARO) was formed in 1993 by some fourteen major Texas private country clubs, to protect our interests in the Texas Legislature. Through the years over one hundred clubs have supported TARO and that support is still growing. In an effort to provide education to state Legislators, TARO has an affiliated Political Action Committee, which can accept contributions from private individuals.

We cannot afford to ignore activities in the legislature, as it could have dramatic impacts on club operations. TARO PAC is employed to educate elected officials on the importance of our issues and support the election of those friendly to our cause. This is an essential and legal way to protect our interests and we need your help!

By rule of law, TARO PAC can only accept personal checks from private individuals. Personal contributions of as little as \$100 can go a long way towards preserving a positive business environment for private clubs.

We will need personal contact information and occupation titles of all contributors, for the purposes of reporting to the Texas Ethics Commission. **All information will remain strictly confidential.** Please complete this form and return it with your contribution.

I thank you in advance for making it possible for TARO to continue its important work. If you have any questions, please do not hesitate to contact us at 214-871-9800 or sam@txaro.org.
